Subject: Pollution Report For New Carlisle Drums Site
New Carlisle, Clark County, Ohio.

POLREP #: One (Initial)

II. BACKGROUND:

Site No.: SM
Delivery Order No.: 5001-05-327
Response Authority: CERCLA
NPL Status: No
Start Date: July 19, 1993

III. RESPONSE INFORMATION:

A) Initial Situation:

The New Carlisle Drums Site consists of two semi-trailer located at two different locations; one at Lower Valley Pike (Site# 1) and Site# 2 at Liberty Road, 25 Ft. away from a residential area in New Carlisle, Ohio. There are approximately 130 55-gallon drums, 100 5-gallon containers, and paint cans containing flammable liquid, flammable solids, paint sludge, corrosives, and, mercury-based paints.

B) Action Taken (July 19-20, 1993):

ERCS contractor was mobilized to the site on July 19, 1993 @ 1300 hours. The following actions were accomplished:

- * Mobilization and setup of designated work areas at Site# 1.
- * Stage all 5-gallon and smaller containers outside the trailer for further on-site treatment prior to disposal.
- * Treatment of approximately 200 5-gallon and smaller size containers by on-site mixing with kiln dust (solidification).

C) Future Action:

- * Continue treating the remaining number of small containers.
- * Stage and treat the 55-gallon drums at site# 1.
- * Due to the proximity of Site# 2 to the residential area, transport all hazardous waste containers from site# 2 to the location of Site# 1 for on-site treatment prior to disposal.
